

The advertisement features the Fenix logo at the top left, which includes a star icon and the tagline "Fenix Flashlight Illuminate Your Adventure". To the right of the logo, the model name "PD10" is displayed in large, bold, yellow letters, with "Max 190 Lumens" written below it in smaller white text. A high-resolution image of the flashlight is positioned in the center-left, showing its textured black body and silver accents. On the right side of the advertisement, a list of features is provided in white text, detailing the flashlight's specifications and capabilities.

#### Features of Fenix PD10:

- Cree XP-E LED (R2) with lifespan of 50,000 hours
