# TK12

Max 225 Lumens

Main Features:

1. Three modes of operation
2. Intelligent memory function
3. Throws beam over 200 meters

By sticking to the design concept of "Humanity oriented, Dedicated innovation", Fenix released TK12-Multi-mode intelligent memory flashlight.

TK12 offers three modes-Outdoor mode, Camping mode and Hunting mode to meet your different lighting needs for outdoor sports. TK12 features easy operation with its intelligent memory circuitry which memorizes its last mode when activating the light. With its 225 Lumens max output, throwing a beam over 200 meters, TK12 is a perfect flashlight for your outdoor travel.
