

3L

WXP

WXP 3 L Hydration System

Features

TASTE-FREE™ System - Glass-Like™ Liner technology in reservoir and tube delivers pure liquid taste with no plastic flavor.

BACTERIA-FREE™ System - Grunge-Guard™ Antimicrobial technology blocks bacterial growth for the life of the system

CARE-FREE™ System - Glass-Like™ Liner with Grunge-Guard™ antimicrobial technologies eliminates the need for cleaning. For days, weeks and even months of use simply refill and drink again and again with no special care required

FDA approved materials - All materials in contact with the drinking water are FDA approved. Guaranteed safe and taste-free drinking water

- 1 Hi-Flow Storm-Valve™** - No-bite push-pull valve with integrated shut-off mechanism. Like drinking with a straw. Easy disassembly for cleaning. (U.S. Patent 6,622,988).
- 2 Angled Valve** - Turned 360 degrees for perfect valve/mouth orientation. Allows tube to be 25cm shorter. Less excess tube bouncing around the chest!
- 3 Dirt-Shield™ Protective Cover** - No more dragging in the dirt! Keeps valve free of dirt and protected.
- 4 Cool Weave Cover Tube** - Insulates and blocks UV-light. Water stays cool and bacteria free from first to last sip.
- 5 SQC Quick Connect Hose Fitting** - Quick connect hose fitting offers push button convenience, SQC has a built in shut off mechanism which allows the tube to be disconnected without spilling, and is compatible with most filtration systems.
- 6 Widepac™ Wide Opening Access** - Patent pending slide closure for easy draining and cleaning. Airtight seal.
- 7 Large NC Filler Cap with Integral Refill Handle** - Air tight, low profile, one hand operated. Compatible with commonly used personal filtration systems.

Liquid Capacity	3L/ 100oz
Cargo Capacity	N/A
Weight (pack + reservoir)	0.24kg/0.53lbs
Hydration System	WXP
Reservoir	435 micron co-extruded Glass-Like™ PE
Valve	Angled Storm-Valve™
Tube	Weave Covered. 94 cm / 37 Inch long

Cool Weave options
