

Inlet modification to the stock required in the magazine well area

Footprint is the same as the standard Sako A7 SA Footprint

Remove

As with the Tikka T3/T3x action, Magpul Pmags feed lips are too wide to fit without modification to either the feed lips or the action.

Inlet Modification

SAFETY FIRST - MAKE SURE THE FIREARM IS UNLOADED BEFORE BEGINING WORK

Atlasworxs advises this product to be fitted and checked by a qualified gunsmith. We accept no liability for damage or injury which may result from improper installation or use.

This item cannot be returned if it has been mounted or has damage, scratches or marks on it.

Email: info@atlasworxs.com

All measurements in millimetres unless otherwise stated.
